FOR IMMEDIATE RELEASE:

01/13/16

The Other Side of Fear is...Freedom.

The award winning company that brought you Thenardiers Inn and ChicabaRENT introduces a new type of musical experience!

Hollywood, CA – January 13, 2016 - Creating Arts Studios is proud to present ***Project Mayhem the Knockout Underground Rock Musical*** a 360-degree immersive theatrical cabaret running for six weeks **February 19 – March 26, 2016** from **8PM- 10PM** at **The Sayers Club, 1645 Wilcox Ave., Los Angeles, CA 90028.**

Walking into the corridor guests are escorted by ring girls into the “dingy basement” of Mr. Sayers Tavern where boxing and musical entertainment are merged into a spectacular preshow before the actual show even begins.

First rule of Project Mayhem... sign in, sit down, and gear up for a theatrical experience that will drop guests into a side-splitting, mind-racing, adrenaline filled, powerhouse rock musical like never seen before. This immersive-interactive, high-octane theatrical experience will put audience members directly into the show where classic rock songs are brought to life with a band that consists of some of the best rock musicians around!

The professional cast merges Rock and Broadway style singing, dancing and professional fight choreography with Hollywood style drama and humor in this original one of a kind show.

Tickets start at **\$40** and can be purchased online at **CACStudios.com/projectmayhem** Seating is general admission or VIP for this intimate yet rambunctious event, and every seat is in on the action.

Doors open at 7PM for live music, pre-show entertainment and cocktails, show starts promptly at 8pm.

Produced by Creating Arts Studios: An artistic studio for live theatrical performances, recordings and original works.

Performed at the Sayers Club Hollywood a world famous venue known for its spontaneity, star power (Prince, Black Keys) and low-key neighborhood vibe.
